PARTISAN POSTMASTERS.

The Department May Detail Inspeciors to Investigate the Most Offensive Cases. WASHINGTON, Oct. 13.—The post office department has on file complainty against various postmasters charged with taking too active a part in the campaign. A majority of the com-plaints were sent to the president by citizens and in all of them it appeared that the officials were electioneering for Bryan and free silver. Early in the campaign Postmaster-General Wilson sent to all postmasters an order of the president advising them not to become too active in politics. Recently a Michigan postmaster was removed for not ob-serving this warning. The latest com-
